

A white wooden signpost stands in a blurred outdoor setting. A green rectangular sign is suspended from the horizontal post by two metal chains. The sign features white text and two horizontal white lines, one above and one below the text. The text on the sign reads:

**I CAN'T FIND
HOUSING IN
THE COMMUNITY
I CALL HOME.**

What's "normal?"

Whatever you're feeling
is perfectly normal.

That said, signs of good mental health include being aware of your abilities, being able to cope with the stresses of daily life, being able to work productively, and being able to participate in your community. If you feel detached from the people around you, overwhelmed by stress, or too distracted or distraught to be productive, those are all signs that your mental health may be struggling.
